

Our recent graduates have received calls into church ministry, social ministry, chaplaincies, into continued study in advanced degree programs, and other calls advancing Christ's witness in our world.

Attending seminary is not just for those called to be preaching pastors.

93% of our 2008 graduates are serving in ministries or positions of their choosing.
65% of our 2008 graduates were men; 93% are serving in ministry positions.
35% of our 2008 graduates were women; 86% are serving in ministry positions.

A sampling of our recently graduated men and women are serving in the following areas:
