

Complaint Process

Western Theological Seminary is accredited by the Association of Theological Schools. It is our desire to resolve student grievances in a fair and expeditious manner. Page 14, Section 2.5, of the seminary handbook states grievance procedures currently in place. In addition, students residing outside the state of Michigan may file a complaint with their state (see link below). Please note that in most cases these complaint procedures require the student to exhaust all complaint avenues internal to the seminary before a complaint can be filed at the state or accrediting agency level. Students are advised first to attempt to resolve complaints in accordance with the Western Theological Seminary handbook.
